

WAARCI CLUB SHIRTS AND JACKETS

This year we are doing something different with ordering the club shirts and jackets. Since several people have asked me about ordering on their own and ordering different styles, I've come up with a solution that I feel best suits the club at this time.

Inks & Images, in Warrensburg, has agreed to keep a running list of our orders. From now on we can go to them, as individuals, and order whatever shirt and jacket we want. We will still need to accumulate 10 screen-printed items before printing to cancel out the screen-printing charge. (*Information is below*)

- **Inks & Images** is located at 108 W. Pine St, Warrensburg, just west of Holden St. Phone # is 660-429-2335.
- Anything that is embroidered does not need to be ordered as a club, only screen-printed items.
- If you don't want to wait and order with the club and want something screen-printed, the screen-printing charge is \$15 per image.
- To order as a club you only have the choice of **WHITE** as your **INK** color. Our club color is red so we generally order all shirts and jackets material in bright red.
- When you go in to order your items, you will pay **Inks & Images** at that time.
- When **Inks & Images** accumulates 10 screen-printed items, I will finalize that particular order and they will go ahead and print them up at one time.

If you want something embroidered, you can go anywhere to have that done. (*See suggestions below*)

- **Back Roads Embroidery** has our logo, operates from their home in Holden, their phone # is 660-238-8604, they're the ones who come out and embroiders hats at our hamfest. www.backroadsemb.com
- Another good embroidery place is **All In Stitches Embroidery Co.**, located at 549 SW BB Highway, Centerview, their phone # is 660-747-7455. www.allinstitchesembroidery.com
- **Central Logos** located also on the north side of Pine Street, same block as Inks & Images, has our logo already. But you can go somewhere other than these places if you wish.

If you have any questions, you can call or email me: Gail Haye, N2ART at 660-656-3783 or my cell # is 660-238-3008 or my email is n2art@hughes.net.
