Meeting Minutes

April 11, 2020

Introductions:

President Announcements

- Kristl KR1STL opened the net at 09:00 on the 146.88 repeater as we held this one on the air as opposed to in person. immediately introducing the board including Terry Lamarck N0LAM who was able to participate via Echolink while being deployed.
- Kristl announced the open house at the WAARCI repeater site would be postponed until we know what reopening procedures will be for the county.
- Due to the meeting being held on the repeater sensitive business has been conducted at the board level to keep numbers and money discussions at a minimum on the repeater.

Number of members present: 19 Number of visitors present: 4

Meeting called to order at: 09:00

Secretary

- Nothing of major note at this time due to the COVID19 shut downs.

Treasurer

- Rick KBØVZP announced the treasurers report was complete and finances are in good order.

New Business

- At the close of the net Kristl KR1STL allowed every body the chance to tell us what kind of equipment and antennas they were using to get into the repeater for the net. This allowed us to help identify some of the issues we have been experiencing with

noise on weak signals into the repeater. We are working to identify the issue and get it resolved.

Other Outside of the Club Business

- Kristl KR1STL announced she is also looking forward to the MOKAN council meeting as to find their plans with COVID19 reopening as well.
-

Close meeting:

Kristl KR1STL closed the net at 10:17
